

ReSoCart-ED - NEWSLETTER #2

Before the year is out, we are happy to share with you a ReSoCart-ED news update!

#Rapid Assessment Reports

On November 30th, 2022, we successfully finished the ReSoCart-ED Rapid Assessment Reports for Ghana and Malaysia. We have thus achieved milestone 1 in the project. In the report, we were able to assess whether our project goals can be achieved and determine the next steps.

Launch of ReSoCard-ED project website

On December 13th, 2022, we launched the ReSoCart-ED website. The website can be reached via the following link: <https://www.resocart-ed.de/>
From now on, we will inform you about the latest news on the project via this site. You will also find here the two Rapid Assessment Reports for Ghana and Malaysia.

Tendering of Subcontracts

Before the close of this year, we plan to subcontract local partners in Ghana and Malaysia to gain detailed insights into the market structures, the legal framework, and the informal sector. With this information, a detailed market analysis can be carried out to reach the next milestones within the project. Implementation will then take place from the beginning of 2023.

Happy New Year

All of us from the ReSoCart-ED project wish you a Happy New Year. We are excited about what we will achieve together this year!
